

Location of BlueNet Office

The BlueNet offices are located at the University of Tasmania, in the suburb of Sandy Bay, Hobart. The campus is a short taxi ride from Hobart's central business district.

If travelling to the University by taxi, most taxi drivers will recognise directions to the Centenary building on Grosvenor Crescent. From here, the steps between the two sections of this building lead to the central mall. Please inform the BlueNet office if travelling by taxi and this cost will be reimbursed.

The BlueNet Office is located in Rooms 247, 248a and 248b of the Mathematics and Physics Building.

Entry from the Central Mall

Entry from Clark Road

The simplest route to the BlueNet Offices is from the central mall of the campus. Go through the entrance marked 'Mathematics', and come up to the second floor. Turn right at the top of the stairs, and the BlueNet offices are at the end of the corridor.

The offices can also be reached from the entrance to the building on Clark Road. In this case go through the doors to the left, and ascend the stairs to the second floor. At the top of the steps turn left and left again, and walk to the end of the corridor. Turn right, and the BlueNet offices are at the end of this corridor.
